BETTER SUPERIOR INGREDIENTS TASTE

We live by our motto, “Tasting is Believing.” With one bite, we are confident you will be able to taste the difference in quality and ingredients between our candy and its competitors. We use fruits, juices, and high-quality spices and flavorings to ensure our candies are the tastiest and cleanest on the market.

FUN FACT

MORE THAN 75% OF PURCHASING DECISIONS ARE MADE IN STORE - IT IS CRUCIAL TO ENGAGE THE CUSTOMER AND STRENGTHEN THE SHOPPING EXPERIENCE!

Candy People PICK & MIX

WHAT IS PICK AND MIX?

Candy People's wide selection of bulk candy allows customers to "Pick & Mix" their own unique portions and assortments. Candy People candy is manufactured in Europe using Scandinavian recipes and ingredients. Our product range includes: gummy, sour gummy, fudge, clusters, nougat, chocolate, licorice, hard, marshmallow, sugar free, gluten free, and gelatin free. Customers decide which flavors and exactly how much candy they wish to purchase. The Pick & Mix concept builds customer loyalty by making the choice 100% the customer's.

EYE-CATCHING TO DRIVE DISPLAYS SALES

The Candy People Pick & Mix bulk candy bin displays are – if we do say so ourselves – the finest ever designed. The display bins showcase every piece of candy and keep it fresh, they are easy to maintain, and make it easy for customers to serve themselves. They are custom designed and produced for Candy People in Sweden. Our resellers report a 30% average increase in sales compared to other display solutions on the market.

WHY BULK?

CUSTOMER SATISFACTION

- Customers can select the products themselves, allowing the opportunity to pick favorites and try new products.
- Create a fun, creative and shopper-friendly retail experience.

SALES & PROFITS

- Increase impulse shopping = an increase in the bottom line.
- Better gross margins. On average, bulk foods carry a higher profit margin than packaged foods.

MERCHANDISING IMPACT

- Optimize retail space – offer a large variety of products within a small area and increase sales per square foot.
- Bulk foods provide a vibrancy of colors, creating a consumer destination within the store.

ENVIRONMENTAL CONSERVATION

- Reduce heavy resources and energy required to produce product packaging.
- Reduce landfill waste from cans, boxes, cartons, and labels.

JOIN THE FAMILY! BECOME A RESELLER!

If you have a retail store, online store, or specialize in selling candy, our Scandinavian Pick & Mix candy or packaged candy appeals to customers interested in delicious, clean candy. Candy People is a turnkey operation – candy, displays, and accessories along with our extensive knowledge to help you succeed. Visit www.candypeople.com to register.
